The Central Pa Basket Weavers' Guild is YOU!

We are still in need of a nominating committee – preferably two members who will take charge of assembling names for the 2013 CPBWG Board: president, vice-president and treasurer. Contact Guild president Lynne Laughman if you can do this.

JUNE 2012 GUILD EVENT

What: CPBWG DYE PARTY, PICNIC AND MORE!

Where: Jean Foutz's home in Palmyra, PA

Our Dye party and picnic will be held again at Jean Foutz's home (thanks, Jean!) Lunch will be potluck—let Jean know what you will be bringing; the guild will provide the rest. Plan your projects and bring some reed to dye!

A special addition to our picnic: Marilyn Julius will teach a STURDY round reed trivet/hot pad. Thanks Marilyn! Bring good basket shears. Guild will provide reed for one trivet per person.

Please contact Jean Foutz before AS SOON AS POSSIBLE if you are able to attend so we may plan for the food and supplies. Directions to Jean Foutz's home at 1252 South Queen Street, Palmyra, PA are at the end of the newsletter. Her phone number is 717-838-6563.

AUGUST 2012 GUILD EVENT

What: ASH BASKETS BY PAM WILSON
When: Saturday, August 4, 2012
Where: Gravel Hill U.M.C. in Palmyra, PA

Pam Wilson is again teaching several wonderful ash basket choices. If you have not yet contacted Pam about coming to the August meeting, please mail the registration form to her at 506 Openaki Road, Denville, NJ 07834 AS SOON AS POSSIBLE, as she needs to get the materials ready for the class. The miniature basket is approximately 3 ¼" wide by 2½" high. It is made of pounded black ash splint and participants may choose blue, burgundy, or violet as their color. They will also choose how they want to design their basket. The basket is finished with a black ash rim and lashed with either waxed linen or black ash splint. The workshop will be offered at materials cost of \$25 for the class.

Participants need to bring: Necessary: C clamp, basket scissors, micro nippers (those with the blade on an angle work best), **small** packing tool, awl, small towel, very small Tupperware type container for water, ruler, pencil, 24 alligator clips, wood scraper, small pliers, **and your lunch (or go out).**

Helpful: old cutting board, small hammer. If you plan to do twill, you should have good twill experience. **EXTRA NOTE:** This uses the same mold that some you purchased in the past, as well as the mold stand.
